A Letter from the Directors

In 1999 God radically birthed a vision in our hearts to open a house of prayer in Tallahassee. At that time we were on staff at a large church in Central Florida. Around the same time, Pam received a prophetic word through Cindy Jacobs that God was going to use her as a mighty weapon against the enemy through the prayer movement and that He was going to raise up a physical location that would be a place of refuge for people, pastors and missionaries to come and pray. It wasn't until six years later that God began to unfold His plan further for the House of Prayer in Tallahassee which was opened in May of 2005.

Pam and I both came to Christ during the Jesus Movement when literally hundreds of thousands of young people were ushered into the kingdom of God through a massive move of God. As it happened then, we believe that there are significant signs everywhere that God is about to do something monumental again. These are extremely crucial times for the Church. God is calling His people to a greater level of intimacy and dedication to Him. As the governmental seat of one of the largest states, and with over 60,000 college students that are a part of our population, we believe the Tallahassee region is part of God's strategic purpose in reaching this generation.

Our intent is to raise up a 24/7 house of prayer that will mobilize missionaries and individuals, young and old, to run hard after God and to see His kingdom established in lives and on the earth. Will you pray about joining us to accomplish this mission? God is still looking for those who will sense the urgency on their heart and will respond to the call to be the watchmen on the wall and to stand in the gap for our nation [Ezk. 22:30]. We believe this is more than just a good idea, rather it's God's mercy strategy to call His people back to wholehearted love for Jesus. Individuals across the earth are embracing this call in this hour.

We are working towards building God's House with all our energy. While we have a current location we believe the future holds a piece of property that will serve as a base of operations for the house of prayer, a training center and facilities where intercessory missionaries and interns will be able to participate in a greater way and contend for Jesus to release another great awakening in America and across the globe. Will you please be in prayer with us that God will direct our steps into His purposes for the future?

Pursuing His Call,

Tenney & Pam Olsen

Directors, International House of Prayer Tallahassee

What is IHOP Tallahassee?

Located in Florida's capital city, IHOP Tallahassee is an International House of Prayer with a vision to unite and establish individuals in intimacy with Christ through 24/7 prayer and worship, modeled after the Tabernacle of David.

IHOP Tallahassee is committed to prayer, worship, the Word, fasting, healing, prophecy, and the Great Commission. We believe that evangelism is most effective through night and day prayer as we pour out our lives before Jesus. **Luke 18:1-7 teaches that night and day prayer is vital if a city is to witness the fullness of revival.** It is for this reason that the Prayer Room, in essence, is the center of all that goes on at IHOP Tallahassee.

We want to equip and train up a generation who will offer up themselves to a lifestyle of prayer, worship, and fasting while boldly proclaiming the Word of God in the midst of persecution and contending for God to break in with revival. Prayer is the only thing that will change the spiritual atmosphere over Tallahassee, the Southeast Region, the Nation, and **turn the nations of the World to the revelation of Jesus Christ.**

Why 24/7 Prayer and Worship?

Jesus said the harvest is plentiful, therefore His disciples should pray to the Lord of the harvest to send out laborers. **When our hearts deeply experience the love of God in the place of worship and intercession, we are strengthened and empowered** to give ourselves to the labor of the work of the Kingdom with greater diligence, authority, and power.

In this hour, **the Holy Spirit is orchestrating a global prayer movement far eclipsing any other time in history**, resulting in an unprecedented harvest of souls and fulfilling the Great Commission. Historically, prayer has always fueled the preaching of the word of God to fulfill the Great Commission.

This global prayer movement will operate in the spirit of the Tabernacle of David. King David organized 4,000 musicians and 288 singers to minister to God in shifts that continued 24 hours a day. He financially released them to worship as their full-time occupation.

24/7 prayer and worship will change the spiritual climate of the city, thus opening the heavens for more anointed and effective evangelism to the lost and unity in the Church. As we worship God with abandonment and expectation 24/7, we will invite the transforming and victorious power of God's presence into our community.

24/7 prayer and worship is more than just a good idea -- It is the welcoming committee that will usher in the very presence of God!

*"The fire on the altar shall be kept burning...
...it shall never go out." (Leviticus 6:12-13)*

What is an Intercessory Missionary?

An **“Intercessory Missionary”** is someone who is pursuing God through prayer and fasting as the first priority of ministry with a view of establishing a 24-hour canopy of prayer. **Intercessory Missionaries are individuals who are sensing the call of God on their life to make their primary vocation that of a lifestyle of prayer and fasting.** These missionaries serve in the same way Anna served -- as dedicated intercessors, evangelists, and “forerunners” who prepare the way for Jesus to impact the nations of the earth.

We believe there is a new paradigm of mission work that God is initiating. God is calling this generation back to the first commandment, “Love the Lord your God with all your heart, with all your soul, and with all your mind,” (Matt. 22:36) and to preach the gospel with urgency. Effective and anointed evangelism will be the natural overflow when ones heart is alive with intimacy through experiencing the reality of the first commandment.

Our desire is to call forth, train, and mobilize Intercessory Missionaries with a purpose in their hearts -- a purpose to restore loving Jesus to the forefront, a purpose to live lifestyles of holiness before God, a purpose for Jesus to reveal himself to this generation in radiant clarity, and a purpose to see God establish a house of prayer that will continue night and day.

“I have set watchmen on your walls, O Jerusalem: They shall never hold their peace, day or night. You who make mention of the Lord, do not keep silent.” (Isaiah 62:6)

Partner with us

In this moment of history, great Haggai 2 shakings are coming upon the earth. To prepare the Bride in this crucial time, we are devoting all of our energy to building the International House of Prayer in Tallahassee (IHOP Tallahassee). **We invite you to play an enormous part in releasing God’s dream that is coming to fruition at IHOP Tallahassee.**

In this hour, God is raising up scores of individuals **dedicated to see the in-breaking of God’s power as the House of Prayer is established in this region.** A continuous Joel 2 Solemn Assembly is being birthed to contend for revival through prayer and fasting, day and night. From this reality, countless lives are being impacted, messengers are boldly proclaiming God’s love on their universities, short-term missions work is changing lives locally, nationally, and globally, and **the governmental seat of one of the largest states in the nation is coming under God’s government.**

God is birthing these realities in Florida’s capital city and we need your partnership. **To carry this financial burdern, we are asking God to relase the funds through generous partnership of people like you.** Together, we will carry out God’s vision for this nation. We invite you to partner in the vision the Lord has given us to raise up a 24/7 House of Prayer which fully embraces prayer, worship, fasting, and intimacy with Jesus. Will you prayerfully consider becoming a monthly partner or giving a gift to IHOP Tallahassee? Your gifts, big or small, directly benefits intercessory missionaries and has a tremendous impact to make this work possible. **May God bless you indeed as you stand with us.**

In Christ,

Tenney and Pam Olsen
